

T-POSTS

Alpine's T-Posts are made in the U.S. of 100% recycled steel by CMC Southern Post.

These posts have:

- High tensile strength for durability.
- Distinctive white and silver reflective tips.
- Features a 3-studded rivet anchor plate.
- Meets ASTM A702 certifications.

Call Alpine for current pricing and availability. We will be happy to help you.

T-Posts

Height	Weight per foot	Height	Weight per foot
		7'	.85#
5'	.85#	7'	1.25#
5'	1.25#	7'	1.33#
